DESCRIPTION

Located in the Lake Highlands area, this spacious home offers over 4,000 square feet with 4 bedrooms and 3 baths on a desirable tree-lined street. Mature trees and strong drive up appeal create a welcoming first impression. Inside, the thoughtfully designed layout features three flexible living areas with handscraped hardwood floors and generously sized rooms that provide space for everyday living and entertaining. The kitchen is designed for functionality and gatherings, featuring an oversized island, GE Profile double ovens, beautiful cabinetry, and an open flow to the large family room and adjacent den or gameroom. The private primary suite includes two large walk-in closets, dual vanities, built-ins, and abundant storage. The backyard offers a shaded setting with mature trees and a waterfall pool that creates an inviting outdoor space for relaxing or entertaining. Additional features include an electric driveway gate, gated side yard, and oversized two car garage with built-in storage and workbench. Conveniently located near major freeways, hospitals, shopping, and dining.
