DESCRIPTION

This home is perfectly situated in the mature trees, hills and walking trails of Eldorado, in McKinney. From the front it sits on a quiet cul-de-sac, in the back is a greenbelt and it has a view of the lake and golf course. The beauty of a small lot on a greenbelt is low maintenance with the serenity of open space. The 23' x 15' deck makes you enjoy the space any time of day. The architectural beauty of this stunning home is best experienced in person! To start, the front door is tucked into a garden courtyard with a fountain. Upon entering, you are greeted by wall-to-ceiling windows. The windows have an architectural header, creating a classic, classy style. The first room is currently a dining room with wood floors, a dramatic staircase and of course the windows that look out over the greenspace. A privacy door separates it from the large gourmet kitchen with its unique granite counters, stainless steel appliances, double oven, 2 pantries, glass-front cabinet, under-cabinet lighting, a picture window and trash compactor. The next area is the living room with built-in shelves, a fireplace, a wet bar and doors that lead to the outside deck - perfect for entertaining friends and family. The HUGE primary suite is upstairs, with its own gas fireplace and private balcony! The primary bathroom has been updated with timeless style and elegance. Garden tub, separate shower, large closet and be sure to look for the hidden cedar closet. Two guest bedrooms are up with a jack-n-jill bath. The first-floor office has an attached bath and an adjacent closet, which could function as a fourth bedroom. Just a golf cart drive to the award-winning Valley Creek Elementary school. Easy access to 75, 121 and the historic McKinney Square. 2026 – installed new carpet and the walls, cabinets, ceilings and trim were painted throughout. Come see it today!
