## DESCRIPTION

168 Brunswick is a standout in Midway Hollow, set on a generous corner lot measuring approximately 98 x 150 feet—giving you rare space, privacy, and room to live both inside and out. The backyard has been transformed with a pool and new elegant deck, creating a true outdoor oasis for quiet mornings, weekend lounging, and entertaining. Inside, the home feels fresh and bright thanks to new interior and exterior paint, updated fixtures, and modern lighting throughout. The kitchen is anchored by a new gas range—perfect for anyone who actually cooks—and the layout offers a comfortable three-bedroom plan with two-and-a-half baths. A light-filled sunroom adds a seamless indoor-outdoor connection with views to the pool deck, while the newly added laundry room and half bath bring the kind of everyday convenience that buyers notice immediately.
