DESCRIPTION

Experience exceptional design and thoughtful flow in this stunning Caliber Homes Patton plan. Offering 4 bedrooms, 3.5 bathrooms, a 3 car garage, and 3,068 square feet, this home blends bold architecture with highly functional living spaces. The open concept layout is anchored by a spacious family room that connects seamlessly to the chef inspired kitchen and dedicated dining area perfect for entertaining or everyday comfort. A private study near the entry provides an ideal work from home space, while the split bedroom design ensures a peaceful retreat for the owner's suite. The owner's suite is tucked away for privacy and features a spa like bath and generous walk in closet. Secondary bedrooms are thoughtfully positioned with easy access to full baths, creating comfort and convenience for yourself or guests. A large game room adds flexible living space ideal for movie nights, play, or hosting gatherings. Practical features elevate daily living, including a mudroom, utility room, ample storage, and a covered patio ready for outdoor enjoyment. Energy efficiency is a standout with full foam insulation, helping maintain comfort and reduce utility costs year-round.
