## DESCRIPTION

Welcome to this beautifully updated 4 bed 2 bath single-story home featuring an open-concept layout designed for seamless everyday living and entertaining. Updates by year include: 2019 – fully renovated kitchen with stainless steel appliances including microwave, range oven, and dishwasher, tile flooring throughout most of the home, raised sunken front living room, and new front window; 2020 – renovated guest bathroom; 2021 – exterior paint, replaced fascia boards and painted front door; 2022 – renovated primary bath, updated tile in primary bedroom to match the home, new primary bath window, new back living room top window and French doors with built-in blinds, and custom built-in bookshelf in front living room; 2023 – new fence and new motor for the privacy gate; 2024 – new garage door opener with MyQ compatibility and new blinds in kitchen and back living room; 2025 – new roof and gutters, gazebo, metal shed, backyard drainage system, and rock beds by the crepe myrtles; 2026 – new carpet in two guest bedrooms plus fresh paint in guest bedrooms, primary bedroom, kitchen ceiling, and back living room. Situated on an oversized lot with a motorized privacy gate, the expansive outdoor space complements the generous interior, and the home did not lose power during the 2021 winter freeze — a rare advantage. Centrally located in the Metroplex with easy access to Dallas, DFW Airport, and major highways, this move-in ready home offers space, security, and exceptional convenience. SCHOOL CHOICE! Close to both McKamy Carrollton and Mitchell Plano ISDs. The home is wired for a home security system with panel in the primary bedroom. Includes doorbell and back driveway cameras.
