DESCRIPTION

Welcome to a home where luxury, space, and lifestyle come together in the heart of Old East Dallas. Nestled in the historic Munger District, 4706 Victor Street is a rare blend of timeless character and modern elegance. With 6 bedrooms, 4.5 bathrooms, and a 3-car garage, this home was designed for those who appreciate both beauty and function. Light-filled interiors, soaring 10-foot ceilings on the first floor and 9-foot ceilings upstairs, and custom finishes throughout create a warm yet refined atmosphere. The fully separate guest apartment in the back opens the door to endless possibilities, generate rental income, host extended family, welcome in-laws, or create the private office or studio you've always wanted. Every detail was thoughtfully curated, from custom cabinetry and quartz countertops throughout, to stainless steel appliances, custom metal railings, spray-in insulation, and two tankless water heaters for comfort and efficiency. Step outside and enjoy a home that feels like a private retreat, all while being just minutes from Downtown Dallas, Baylor, and the Arts District.
