DESCRIPTION

Step inside and it feels brand new because it practically is. This beautifully reimagined 3-bedroom, 2-bath home has been taken down to the studs and rebuilt with today's buyer in mind. From the moment you walk through the door, you'll notice the fresh, clean lines, natural light pouring through all new energy-efficient windows, and flooring that flows seamlessly throughout the entire home. The kitchen isn't just updated, it's completely transformed. Modern finishes, sleek surfaces, and thoughtful design make it the true heart of the home. Both bathrooms have been fully renovated with contemporary fixtures and finishes that feel straight out of a design magazine. Behind the walls, the upgrades continue: new HVAC, new water heater, and all the big-ticket improvements already done for you. This isn't a cosmetic flip; it's a comprehensive renovation that offers the rare opportunity to be the very first to live in the home since its complete overhaul. Everything feels crisp, untouched, and move-in ready. Located in the highly sought-after OPE Elementary school district, this home is ready for its new owner.
