DESCRIPTION

Designed with intention, the home unfolds with a sense of balance and ease—spaces that feel distinct yet connected, composed yet adaptable. The kitchen sits at the heart of the home, quietly shaping how daily life flows, drawing the living areas together and extending naturally toward the backyard beyond. On the main level, a refined primary suite is complemented by a private guest bedroom, offering flexibility that supports both everyday living and longer-term ease. Upstairs, additional bedrooms and bonus spaces provide separation without sacrificing cohesion. A covered patio and generous yard extend the living experience outdoors, while proximity to Inwood Village, Bluffview Park, and Dallas Love Field places the home at the center of convenience and connection.
