DESCRIPTION

Set in Town Creek in Lake Highlands and zoned to Richardson ISD, this 5 bed, 4 bath home thoughtfully reimaged by Maverick Design blends elevated modern finishes with a functional, flexible layout. With 3,694 square feet, it's designed for easy living and entertaining. The entry offers access to a large private study & dining room, then opens to the main living area with a gas log fireplace. The show-stopping kitchen is open to the living room & centered around an oversized peninsula with seating & a sleek slatted range hood. Quartz countertops pair with stainless steel appliances plus flat panel slim shaker cabinetry with elegant hardware & a bright breakfast nook. Just off the kitchen, extra counter space & storage accessible from the dining room create the perfect coffee bar, electronics hub, or butler's pass-through. A large utility room with storage, counter space, & a timeless checkered floor doubles as an ideal mudroom with direct access to the garage. Most bedrooms are on the main level, so the home lives largely like a 1 story. The tucked-away primary suite features an ensuite bath with dual vanities, a walk-in frameless shower with zellige inspired tile, & private French door access to the backyard & pool. Upstairs: a large bonus living space plus an additional bedroom with a full bath. Wide plank engineered wood floors, two tone designer interior & exterior paint, recessed lighting, & updated modern hardware & light fixtures carry the fresh look throughout. Outside, the backyard with pool & wood privacy fencing is ideal for relaxation and effortless entertaining.
