DESCRIPTION

Step through the grand entryway where a soaring 20-foot ceiling and curved staircase make a first impression. French doors lead to a home office. Continuing past the formal dining room, you enter the vast family room with a 26-foot ceiling, a wood mantel fireplace, and sliding glass doors that flood the space with light. The kitchen features an island with built-in seating, ample counter space, a butler's pantry, and a walk-in pantry. Adjacent to the kitchen, a private home study accessed through the butler's pantry offers a quiet workspace. The morning area is nestled in a corner with abundant windows. The primary bedroom is a retreat with a wall of windows and coffered ceilings. French doors lead into the primary bathroom, which offers dual vanities, a freestanding tub, a spacious glass-enclosed shower, and two walk-in closets. The utility room is located off the main entry hallway. Down the hall is a media room with three large windows and French doors. A private guest suite adjacent to the media room features a full bathroom and a walk-in closet. Upstairs offers a spacious game room, a card room and additional storage. Secondary bedrooms all offer walk-in closets, separate linen closets, and full bathrooms. This home also features a covered backyard patio and mud rooms conveniently located off the three-car split garage.
