## DESCRIPTION

Located in the prestigious guard-gated enclave of Kings Lake within Stonebridge Ranch in McKinney, this beautifully updated home blends timeless elegance with modern wellness living. The welcoming entry showcases rich herringbone wood floors, introducing the refined details carried throughout the home; Arteriors and Lightology lighting, new faucets, a fully updated laundry with Blanco sink and Cambria countertops, and a beautifully refreshed pool bath finished in high-end designer tile and Cambria surfaces. The study is a true statement space with coffered ceilings, paneled walls, and built-ins, equally suited for executive focus or quiet retreat. The light-filled morning room, anchored by a fireplace and overlooking the pool, opens seamlessly to the kitchen and breakfast area, creating a natural gathering space where daily life unfolds effortlessly. Just steps from the beautifully updated kitchen with striking blue-veined Cambria quartz and designer finishes, it offers the perfect setting for conversation and connection while meals are prepared. The flexible floor plan offers a large living room, two dining areas, a special morning room area, a game room, 4 bedrooms (2 down), 4.5 baths, butler's pantry with glass-front cabinetry, and three interior fireplaces. Outdoors, a newly constructed pool transforms the backyard into a private wellness sanctuary. Complemented by a sauna and cold plunge, the covered patio with wood-burning fireplace creates a setting designed for restoration, gathering, and year-round enjoyment. Residents enjoy access to Stonebridge Ranch amenities including lakes, tennis, pickleball, trails, The Beach Club, and very close proximity to the Pete Dye Signature Course and the Arthur Hills Signature Course golf courses.
