DESCRIPTION

Spacious 1.28-acre property offering flexible living space and extensive outdoor amenities. The grand room opens to a remodeled kitchen featuring a wood countertop island, farmhouse sink, double ovens, electric range, and dedicated coffee station. Primary suite on the main level includes dual custom closets, separate vanities, and walk-in shower. A second oversized en-suite bedroom is also located on the first floor with custom closet space and walk-in closet. Formal dining room with multiple windows provides natural light. Living area features built-in bookshelves and wood-burning fireplace with views of the pool and backyard. Upstairs includes four bedrooms and two bathrooms. One bedroom may function as an office or flex space. Two rooms have been combined to create expanded living area. Backyard includes a well-maintained pool, large entertaining areas, covered porches, full fencing, mature landscaping, and a treelined rear boundary with stone fencing. Property includes attached carport plus a detached three-car garage with additional storage space, workshop area, and shed.
