5 baths

DESCRIPTION

Welcome to your brand-new waterfront retreat on Cedar Creek Lake! Built in 2026, this stunning 3-bedroom, 3-bath home offers 2,375 square feet of thoughtfully designed living space, blending modern comfort with effortless lakefront living. From the moment you step inside, you'll appreciate the fresh, contemporary feel and open layout that makes the most of the water views and natural light. The spacious floor plan is ideal for both everyday living and entertaining, with a seamless flow between the living, dining, and kitchen areas. The all-electric appliances provide energy efficient convenience, giving you a sleek and functional kitchen ready for gatherings large or small. Each of the three bedrooms offers generous space and privacy, while the three full bathrooms feature stylish finishes that complement the home's clean, modern design. Step outside and you'll find the true highlight a brand-new dock built for enjoying everything lake life has to offer. Whether it's early morning coffee by the water, sunset cruises, fishing with friends, or launching your favorite water toys, this property is designed to make the most of every moment on the lake. Perfect full-time residence, weekend escape, or investment opportunity. Move in, relax, and start living the lake life you've been dreaming about. Located on one of the lakes deepest coves, come out and measure the water at this dock! Deeper water makes for longer boating season! Short term rentals are allowed in this subdivision.
