## DESCRIPTION

Starry skies and breathtaking sunsets await at this custom built retreat on 2 acres in the prestigious estates of Newsom Ranch. Designed for both everyday comfort and unforgettable entertaining, this home offers refined finishes, thoughtful upgrades, and stunning views from every angle. Impressive double entry doors welcome you with an abundance of natural light. Elegant ceramic tile flooring flows seamlessly into the expansive living and dining areas. A striking gas fireplace with custom mantle serves as the focal point, while vaulted ceilings accented with a wood beam create warmth and architectural charm. The Chef's Kitchen is truly exceptional, featuring a six-burner cooktop, double ovens, and oversized island with prep sink and bar seating. A walk in butler's pantry with custom cabinetry and hidden microwave adds style and function. Leather-finished granite, custom backsplash, beautiful pendant lighting, and a farmhouse sink framed by windows overlooking the acreage elevate the space even further. The spacious primary suite is a private sanctuary with patio access for peaceful evenings under the stars. The luxurious en suite bath features double vanities, freestanding soaking tub, and a walk-in shower. Split bedrooms provide privacy for all, and the fourth bedroom, complete with en suite bath, makes an ideal guest suite, craft room, or mother-in-law retreat. Working from home is effortless with both an AV office and an additional library office, offering multiple workspaces. Even the laundry room impresses with custom cabinetry, utility sink, brick tile flooring and direct access to the primary closet. A Bonus Feature is the 20x30 Insulated Workshop with 10x10 roll-up door, mini-split climate control, and ample 110 and 220 electrical service, perfect for hobbies, projects, or additional storage. Enjoy morning coffee on the extended covered front porch or unwind on the back patio, taking in the panoramic views. This is the Dream Retreat you've been waiting for!
