## DESCRIPTION

Stunning Tudor-style traditional home in a sought-after neighborhood feeding to White Rock Elementary and just moments from the scenic White Rock Lake trails. Soaring ceilings, rich hardwood floors, custom cabinetry, graceful arched openings, and beautiful brickwork create a sense of timeless character throughout. The chef's kitchen opens seamlessly to the main living area, where natural light pours in and extends to the covered outdoor patio, perfect for effortless indoor-outdoor living. Three fireplaces add warmth and charm, anchoring the formal den, main living room, and outdoor patio. An upstairs living or flex space offers a quiet retreat or creative escape. The upstairs primary suite feels like a private sanctuary, complete with an expansive closet and direct access to the upstairs laundry room. A sliding gate at the rear adds both privacy and convenience, completing a home that blends classic architecture with inviting, livable elegance.
