DESCRIPTION

Gorgeous luxury residence! Premium upgrades across major systems, interiors, and outdoor living spaces! This home is designed for comfort and durability. Energy efficient, new 5-ton Lennox HVAC and full attic re-insulation (Sept 2023) as well as a new 3-ton Lennox exterior unit (July 2024). In May 2025 a new roof was installed featuring CertainTeed Class 4 impact-resistant shingles, new gutters, and a complete exterior trim repaint. Plumbing updates include a 2024 hot water heater replacement with all connections brought fully to current code. The interior has been reimagined with refined finishes, including elegant tile flooring throughout the downstairs (2021) and a full interior repaint. The gourmet kitchen features luxury Café appliances—including a double wall oven (2025), dishwasher (2024), and refrigerator (2024)—paired with a Frigidaire Gallery cooktop, black granite countertops, and a custom tile backsplash (2022). Upstairs enhancements include a new window, refreshed staircase railings, and a repainted media room. The primary suite was transformed in November 2025 with fresh designer paint and new statement lighting. All ceiling fans throughout the home have also been replaced. The outdoor living experience rivals a private resort. Pool was replastered in 2021, with rock trim repointed in 2025 and a new pump motor in 2024. In April 2025, a 4-speaker outdoor Bluetooth system was added. Infrastructure updates include a new septic main pump and float (2025), a Hunter Wi-Fi irrigation controller (2024), and professionally stained fencing and decorative wood structures (Oct 2024). This residence offers a rare blend of luxury finishes, major system upgrades, and refined outdoor living. The couch in the media room and all mounted TVs convey with the home. The washer, dryer, indoor and outdoor furniture are negotiable.
