DESCRIPTION

This rustic contemporary lodge estate blends timeless architectural character with refined craftsmanship and is privately situated on nearly four acres beneath a canopy of mature oak trees in the heart of Copper Canyon. A circular drive and expansive covered front porch create a memorable sense of arrival and reflect the home's impressive estate-scale presence. Inside, the home is thoughtfully designed around multiple gathering spaces ideal for both entertaining and everyday living. A dramatic library serves as a signature architectural centerpiece, featuring a spiral oak staircase, cherry wood cabinetry and shelving, coffered ceiling, custom illuminated built-ins, and a striking verde granite fireplace. A custom interior kitchen with cherry wood cabinetry, premium appliances, and wine refrigeration anchors the home as a natural gathering space. TWO primary suites offer exceptional flexibility for guests, extended family, or multi-generational living. Two expansive great rooms, each with its own fireplace & French doors, open seamlessly to the outdoor living areas, while a wall of windows frames scenic views of the landscaped grounds and fills the home with natural light. The outdoor environment functions as a private retreat, highlighted by a PebbleTec saltwater pool and spa, cascading water features, fire bowls, landscape lighting, hand-laid brick patios, and a covered outdoor kitchen and pavilion. Designed for year-round enjoyment, enjoy the media center, premium outdoor stereo speakers, a 3CM granite counter, a translucent, under-lit Onyx bar countertop, plus a propane grill & fireplace. This distinctive estate combines privacy, craftsmanship, and a lifestyle centered on entertaining and connection to nature. Ideally located with convenient access to FM 407, I-35W, and I-35E, and just minutes from Lewisville Lake, as well as shopping, dining, and entertainment in Highland Village, Flower Mound, and Denton. The home is also ~17 miles from DFW Airport.
