## DESCRIPTION

Professional photos will be available on Tuesday, March 3. Beautifully Remodeled Single-Story Home with Backyard Oasis on 1.09 acres. Step into this lovely, completely remodeled one-story home through a wide and welcoming foyer that opens to an elegant formal living room overlooking the stunning backyard and sparkling pool (pool was completely redone in 2023). Large windows fill the space with natural light and create a seamless indoor-outdoor feel. The home also features a formal dining room perfect for hosting gatherings and special occasions. The spacious kitchen is designed for both everyday living and entertaining, offering ample counter space and cabinetry. It opens to the family room and informal dining area, creating a warm and functional open-concept layout. The oversized primary suite is a true retreat, featuring a generous bedroom, a large spa-like bathroom with dual vanities, a separate soaking tub, a walk-in shower, and an expansive walk-in closet. Designed with privacy in mind, the additional bedrooms are thoughtfully positioned on opposite sides of the home. With a total of 3½ bathrooms, the layout offers both comfort and convenience for family and guests. Step outside to enjoy the beautiful backyard and pool — perfect for relaxing or entertaining year-round. This move-in-ready home combines style, space, and functionality all on one level. Floor plan available upon request.
