DESCRIPTION

Welcome to a striking Modern Tudor estate in the exclusive gated community of Azalea Hollow. Set on an expansive .73 acre homesite framed by mature trees and open sky, this custom residence offers privacy, presence, and exceptional design from the moment you arrive. The exterior showcases steep gables, artisan brickwork, and bold charcoal trim that beautifully contrast against the soft-toned masonry. Metal roof accents add a modern edge, while a covered entry with warm wood double doors creates an inviting first impression. The architectural lines are dramatic yet balanced, blending classic Tudor inspiration with clean, contemporary detailing. Inside, a light-filled foyer with warm wood flooring and a statement chandelier sets the tone. The staircase features natural wood treads and sleek black balusters, offering a sophisticated transition between levels. The home then opens into a breathtaking great room with soaring ceilings and expansive sliding glass doors that flood the space with natural light and connect seamlessly to the covered patio beyond. The living area centers around a striking fireplace with tailored wall detailing, creating a focal point that feels both elegant and welcoming. The open-concept layout flows effortlessly into the designer kitchen, where ceiling-height cabinetry, brushed brass hardware, and a dramatic oversized island create a perfect blend of style and function. Professional-grade appliances, double ovens, and abundant prep space make this kitchen ideal for both entertaining and everyday living. The private primary suite offers a serene retreat with spa-inspired bath, dual vanities, soaking tub, and a spacious walk-in shower. Additional bedrooms and flexible living spaces provide room for guests, work, or media, adapting beautifully to your lifestyle. Outdoors, the covered patio extends the living space and offers ample room for future enhancements, all within the tranquility and exclusivity of Azalea Hollow.
