DESCRIPTION

Completed, curated, and unlike anything else in the neighborhood. This Mediterranean masterpiece blends architectural precision with Tulum-inspired interiors to deliver a resort-caliber living experience just moments from White Rock Lake and Lakewood. Massive sliding glass doors dissolve the line between indoors and out, opening to a private backyard designed for effortless enjoyment -heated pool, tanning ledge, covered outdoor kitchen, and fully turfed landscaping that stays flawless year-round. The chef's kitchen anchors the main level with a commanding black leathered island, Mykonos quartzite countertops, and a full Sub-Zero and Wolf appliance suite including a 6-burner gas range with griddle, built-in microwave, panel-ready refrigerator, and Cove dishwasher. Every detail of the interior has been intentional -Taj Mahal quartzite accents, wide-plank white oak floors, herringbone tile, a floating LED-lit staircase, custom electric fireplace, and architectural lighting that creates a cohesive design story from entry to primary suite. The primary retreat delivers a true spa experience, travertine soaking tub, walk-in shower, and LED mirror lighting. Additional highlights include a media room and dual laundry rooms. New construction. Completed. No compromises.
