DESCRIPTION

THE LONG COVE COVE EVERYONE WAITS FOR! Offered fully furnished, this home is ready to welcome its next chapter from the moment you arrive. . Built in 2018 and thoughtfully designed to embrace its setting, this lakefront home captures sweeping open-water views and 52 feet of private shoreline. Expansive windows fill the home with natural light, while timeless architectural details and soft, coastal-inspired finishes create a sense of calm the moment you step inside. The heart of the home is made for togetherness. An inviting chef's kitchen with an oversized island naturally becomes the gathering place for morning coffee, late-night conversations, and shared meals after a day on the lake. The vaulted living room, centered around a warm fireplace, offers space to unwind while still feeling connected to the water just beyond the windows. Outside, a generous covered porch overlooks the cove, where the rhythm of the lake sets the pace for the day. It's the perfect setting for slow mornings, sunset dinners, and the simple joy of watching children and grandchildren return from the water with stories of the day's adventures. Life in Long Cove is intentionally designed around family, connection, and time well spent together. Located on Cedar Creek Lake just over an hour from Dallas, this private lakefront community blends natural beauty with thoughtfully curated amenities. Miles of scenic trails wind through the property, while resort-style pools, lakefront parks, sports courts, boat docks, and the beloved Toy Barn offer endless opportunities for play, gathering, and celebration. Dodd's Landing 13 is not simply a home on the lake. It is a place where families return, traditions are built, and memories are made for generations to come.
