DESCRIPTION

****Price Improvement- Seller is motivated!****This beauty brings the space and the vibes with 5 bedrooms, 4 bathrooms, and enough room for everyone to have their own corner... or avoid each other entirely (no judgment).The layout flows effortlessly, whether you're hosting a holiday gathering or just dramatically carrying snacks from the kitchen to the couch. The kitchen is ready for its moment too, featuring double ovens—because one oven is cute, but two says we host for real! And let's talk about that pool—because Texas. Backyard days turn into staycation mode real fast, with sunshine, splash time, and zero need to book a resort. Upstairs (or tucked away for maximum fun), you'll find a game room and media room—perfect for movie marathons, game nights, or keeping the chaos contained in one very happy place.

****Bonus:** Priced around \$60k below market value for a quick sale, which means this is your chance to snag a whole lot of house without the usual price tag! Big, bold, and ready to impress, this home is serving comfort, style, and just the right amount of "wow." Come see it before someone else calls dibs.
