DESCRIPTION

This beautifully maintained 4-bedroom, 3.5-bath 3 car garage home in The Landings stands out with a layout that actually works real life! Three bedrooms downstairs make it perfect for multigenerational living. The open-concept floorplan flows seamlessly into a stunning kitchen with ample storage and countertop space, perfect for everyday living and entertaining. The formal dining room opens to a butler's pantry, while the kitchen offers additional seating at the island and a cozy breakfast nook, providing plenty of space to host and entertain. The spacious primary suite includes a versatile space that can easily serve as a nursery, home office, or dressing area. An oversized laundry room adds convenience and functionality. Located just a short walk to the elementary school and park, and minutes from shopping, this home offers the space, layout, and location buyers are searching for. Put your mind at ease with knowing the roof was replaced 3 years ago and a new hot water heater was installed recently. Neighborhood includes a reservable clubhouse and amazing community pool with covered patios for hosting private events!
