DESCRIPTION

A rare opportunity at The Mansion Residences, one of Dallas' most exclusive luxury high-rises. Spanning over 4,200 square feet, Unit 2E is a masterfully designed home that blends architectural significance with effortless livability. Comprehensively renovated in 2022 under the direction of Schutts Magee & Riddle Architects in collaboration with internationally acclaimed designer Jan Showers, the residence reflects timeless sophistication at every turn. Architectural details include soaring cove ceilings, heated marble floors, motorized shades, and a sleek Bulthaup kitchen that balances form and function with understated elegance. The private terrace is exceptionally generous by high-rise standards—larger than most in the building—and serves as a true extension of the living space. Reminiscent of a serene San Miguel courtyard, it offers a secluded setting ideal for entertaining, morning coffee, or quiet evenings outdoors. With only 24 residences, The Mansion Residences offers an unmatched level of privacy and service, including 24-hour concierge, valet, and in-residence dining. Square footage includes terrace.
