DESCRIPTION

Welcome to refined luxury in the exclusive, lock and leave, gated-guarded Kings Lake in the heart of Stonebridge Ranch. Situated on a sprawling .68 acre creek side lot, this estate offers over 6000 sq ft of beautifully designed space with expansive living spaces and true indoor-outdoor living. The attention to detail both in the function and the finishes, sets this home apart. Our favorite interior features include the massive accordion slider opening the entire living room to the serenity of the backyard, extensive wainscotting and crown molding throughout, huge pantry & utility room, floral wallpaper in just the right places, paneling on the back staircase, stacked stone fireplaces anchoring the living room and breakfast nook, variety of stone on the countertops throughout, and the secret room behind the bookcase upstairs. Equally stunning is the backyard oasis including the new outdoor living area with grill, phantom screens, infinity edge pool and spa, travertine decking, heavily treed yard, and the massive upstairs patio overlooking the canopy of trees. Stonebridge Ranch is home to fabulous amenities included miles of trails, parks, the Beach Club and pool, Stonebridge Ranch CC, and Adriatica.
