DESCRIPTION

Sitting on 2.77 rare acres within the city limits, this completely redone property is well planned inside and out and ready for the next chapter. From the moment you walk in, the vaulted ceilings with exposed beams and warm wood floors create an inviting space that feels both spacious and comfortable. The large family room opens seamlessly to the formal dining area and features custom built ins and a cozy fireplace, making it perfect for gathering. The kitchen has been completely updated with custom cabinets granite counters, stainless appliances, gas cooktop and double sink. Natural light pours in through the windows, giving you peaceful views of the property while you cook. This home offers 4 bedrooms, and 3 full baths, plus a convenient half bath in the hallway. The primary suite is a true retreat with a spa like bathroom offering separate vanities, double sinks, walk in shower and two walk in custom closets that provide plenty of storage. The 4th bedroom is currently being used as an office. The oversized 2 car garage includes built in cabinets and a separate storage room. There are two AC and heating units for added comfort and efficiency. Outside, the features continue with a 30 by 40 workshop with electricity including 220, water and abundant storage, plus additional 2 car covered parking. The accessory dwelling is currently used as a workshop but includes a bathroom and could easily become a game room. There is also a separate storage building for tools. A well supports outdoor use and irrigation for the garden area with a holding tank to irrigate the yard. The circle drive, rear garage access and expansive parking complete this incredible property. Peaceful country living with room to spread out and enjoy it all.
