Judge Fite Company

1920 STONECASTLE DRIVE

KELLER, TX 76262

\$1,370,000

4,857 sqft

4 beds

4 baths

DESCRIPTION

Tucked inside a secluded GATED enclave of Northeast Keller, this north-facing .83-acre estate offers privacy, space, and resort-style living without sacrificing proximity to essential services or social infrastructure. Lovingly maintained by the same non-pet owner for 23 years, the home combines timeless architecture with a flexible layout designed for both everyday comfort and memorable entertaining. Inside, soaring ceilings, dual staircases, four fireplaces, natural materials, and abundant storage create a grand yet welcoming atmosphere. A sophisticated palette and recessed panel cabinetry throughout complement transitional, traditional, or contemporary styling. The professional-grade kitchen features Sub-Zero refrigeration, Thermador range and double-convection ovens, second sink, and chef's pantry. Opening to a breakfast nook banquette and living room anchored by a 15-foot stone fireplace and expansive views. The downstairs primary suite offers backyard access, dual sinks, vanity station, garden tub, separate shower, wrap-around walk-in closet, mass built-ins and a steel fire and water-rated safe. Upstairs bedrooms flank the game and theater rooms—with the 9-ft Brunswick pool table, 110-inch projection screen, and media equipment-furniture included. Step into the park-like backyard retreat, where a heated saltwater play pool and separate spa with Pebble-Tec finish and a dramatic 40x6-foot moss-rock waterfall create the feeling of a private resort. Stone walkways illuminated by antique streetlights, a koi pond, a freestanding fountain, outdoor kitchen with gas grill and fridge, pergola, and covered patio make the space equally suited for quiet evenings or large gatherings. Bonus, the 10x10 bricked workshop with electric doubles as storage or golf cart garage! With major system updates already completed—2026 water heater, 2026 carpet and insulation, 2021 roof, HVAC improvements (2017-2025), and whole-house surge protection—this home is ready for its next chapter.
