DESCRIPTION

This beautifully designed home blends thoughtful architecture with standout features that make everyday living feel a little extraordinary! Step inside beneath the stunning barrel-vaulted entry ceiling, where the floor plan immediately feels open, intentional, and welcoming. A dedicated home office with doors that scream reclaimed wood vibes, offers the perfect space to work from home, while the living room invites you to relax with a cozy stone fireplace and easy access to the back patio. The kitchen is a true gathering space featuring quartz countertops, double built-in ovens, built-in microwave, and a charming coffee bar—perfect for morning routines or hosting friends and family. The primary suite is a retreat of its own, offering private access to the patio and a spa-inspired bath complete with an oversized soaking tub and a walk-through shower with dual shower heads and dual entries. The custom closet includes built-ins for effortless organization. On the opposite side of the home, the guest bedrooms are thoughtfully connected by a Jack-and-Jill bathroom, each with their own private sink area and walk-in closet—a rare layout that offers both privacy and convenience. Step outside to enjoy the covered patio with its own fireplace, the perfect place to unwind while watching longhorns grazing on the neighboring ranch, creating a peaceful Texas backdrop that's hard to find!
