DESCRIPTION

Picturesque all around views!!! This 2144 sq. ft. contemporary modern home sitting on 5.2 acres on Hog Mountain is a gem! The stucco exterior with a mix of metal and wood gives this house a perfect blend. The two story, 3 bedroom 2 and half bath house, sits about 600 feet off a cul-de-sac giving it a peaceful setting to enjoy the views, trees, large rock clusters and wildlife. The amazing views are a sight to see, especially relaxing on the balconies. Inside features of the house include decorative lighting, large skylight opening, floating stairs, kitchen island, open kitchen shelves, unique window designs, a fireplace, dual vanities in the full bathrooms and a garden tub. The large windows and skylights give an abundance of natural light in the house. The attic and exterior walls have spray foam insulation for energy efficiency. Don't miss out on this one!
