DESCRIPTION

Stunning Highland Single-Story Masterpiece in Premier Star Trail Experience luxury living at its finest in this impressive Highland Home, perfectly positioned on an oversized 12,000+ sq. ft. lot in Prosper's highly acclaimed Star Trail community. Built in 2020, this single-story residence blends sophisticated modern design with functional elegance across 3,216 square feet of living space. The grand entry sets a striking tone with soaring tray ceilings, designer lighting, and wide-plank hardwoods that lead into a majestic open-concept floor plan. Tucked behind glass French doors, the executive study offers a dream workspace with a full wall of floor-to-ceiling custom built-ins. The heart of the home is a show-stopping great room featuring spectacularly tall ceilings and a gourmet chef's kitchen. Retreat to the palatial primary sanctuary, where vaulted ceilings lead to a spa-inspired ensuite. Indulge in the freestanding soaking tub or the oversized walk-in shower with designer slate tile and mosaic accents. All four bedrooms are strategically placed around the home's perimeter for maximum privacy, each featuring its own walk-in closet. Bonus spaces include a dedicated first-floor media room, perfect for movie nights. Step outside to a huge outdoor entertainment space with a covered veranda, ideal for hosting year-round. Located in the top-rated Prosper ISD (Joyce Hall Elementary) with NO MUD or PID, residents enjoy world-class Star Trail amenities including four pools, tennis and pickleball courts, and miles of walking trails.
