DESCRIPTION

Welcome to your own backyard retreat. This inviting 4 bedroom, 2.5 bath home sits on almost an acre surrounded by mature trees and beautifully designed outdoor spaces made for relaxing and entertaining. The stunning in ground gunite pool with water feature has been fully resurfaced and is the centerpiece of the backyard, complemented by tropical landscaping, lush St. Augustine grass in the front and backyard, and a perfectly placed flagstone firepit that makes evenings outdoors unforgettable. A detached garage provides the perfect workshop for hobbies or projects, along with additional covered parking under the carport. There is also a storage building offering even more space for tools and equipment. Inside, the home offers a warm and welcoming feel with a dedicated office featuring French doors, a formal living area, and an open concept layout designed for everyday living and gatherings. The family room features a beautiful stone fireplace and extra large picture windows that fill the space with natural light while offering views of the backyard oasis. Custom wood blinds throughout the home add both style and function. The kitchen is well equipped with an island that includes a breakfast bar and prep sink, double ovens, two garbage disposals, and a spacious walk in pantry. The dining room is perfect for hosting with a built in buffet and glass cabinets that provide a great space to display collectibles. The primary suite is a relaxing retreat with vaulted ceilings and views of the backyard. The ensuite bathroom features a large dual sink vanity and a very spacious walk in shower with multiple shower heads for a spa like experience. Additional updates and features include all windows replaced, exterior doors replaced in 2020, and two fully decked attic spaces providing exceptional storage. With beautiful indoor spaces, thoughtful updates, and an incredible outdoor setting, this property offers the perfect blend of comfort, function, and room to enjoy it all.
