DESCRIPTION

Tucked away on a quiet cul-de-sac in the heart of State Thomas, 2224 Worthington delivers that rare mix Dallas buyers actually want: peaceful neighborhood energy with truly walkable access to everything Uptown has to offer. Spanning 3,579 square feet across four interior levels—plus a fifth-level rooftop deck—this townhome lives tall, bright, and beautifully updated, with a private elevator connecting each floor. Step inside to soaring 10' and 11' ceilings, fresh paint, and newly installed hardwoods that set a crisp, classic tone. The first level is ideal for guests or multi-purpose living, featuring a bedroom and a dedicated study. Upstairs, the second level is designed for everyday life and easy entertaining: an open kitchen with updated countertops and backsplash, a true dining room, and a separate laundry room—because laundry shouldn't be part of your kitchen décor. The third level is reserved for the primary suite, a true retreat with a fireplace, generous proportions, and an oversized walk-in closet. The fourth level is where the fun lives: a game room and entertaining area that makes hosting effortless, whether it's game day, cocktails, or a cozy movie night and an additional bedroom. And then there's the showstopper: the fifth-level rooftop deck overlooking downtown Dallas—an unbeatable perch for sunsets, fireworks, and the kind of city views that remind you why you love living here.
