DESCRIPTION

This stunning contemporary home sits gracefully on a prominent corner lot, offering a striking modern design that thoughtfully separates everyday living from entertainment. Bedrooms are tucked privately on one side of the home, while the chef-inspired kitchen and expansive living areas flow together on the other. The kitchen showcases elegant pendant lighting, Viking appliances, and clear views of the backyard oasis. Warm interior tones, recessed lighting, tall ceilings, and floor-to-ceiling windows in the living room create a bright, inviting atmosphere, enhanced by a large built-in aquarium perfect for Nemo and all his fish friends. The living room's breathtaking window wall frames spectacular views of the resort-style pool, which can also be enjoyed from the kitchen, dining room, primary suite, and the dramatic catwalk balcony. The second floor is an entertainer's dream, ideal for sports lovers and movie enthusiasts alike. It features a true movie-style media room, a spacious gameroom, and a large wet bar with an elongated serving counter—perfect for hosting game nights, watch parties, or relaxed gatherings. From this upper level, guests enjoy direct access to the balcony overlooking the resort pool, creating a seamless indoor–outdoor experience. Outside, the home transforms into a private paradise with an outdoor kitchen, sparkling pool with a waterfall and hot tub, relaxing cabanas, a putting green, and a spiral staircase leading effortlessly to the upstairs balcony. The primary bedroom offers a luxurious retreat with a tray ceiling, cozy fireplace, walk-in closet, private patio, and tranquil pool views, while additional bedrooms provide generous space, walk-in closets, and ensuite bathrooms. Completing this exceptional property is a spacious 4-car garage with ample room for vehicles, tools, and storage—making this modern masterpiece as functional as it is beautiful.
