DESCRIPTION

Welcome to peaceful country living in the heart of Pilot Point's renowned horse country. Situated on nearly 1.5 heavily treed acres, this beautifully designed home offers the perfect blend of luxury, privacy, and character just outside the city. A custom-trimmed entry with soaring ceilings opens into an expansive living area featuring rustic beams, a stunning stone fireplace, and a full wall of windows overlooking the serene backyard. The kitchen is designed for gathering, centered around an oversized island and a gas range with a striking brick surround, plus a dining area with a built-in banquet for casual meals and entertaining. This home may qualify for a lender-paid incentive of up to \$8,000 toward closing costs or a rate buy-down, subject to buyer qualification and lender approval. Buyer is not required to use the preferred lender to purchase the home. Contact listing agent for full details. Thoughtful details throughout the home add warmth and personality, including custom board and batten accents, a dedicated home office with stamped concrete floors, and a first-floor media room. The spacious primary suite serves as a true retreat, complete with split his and her bathrooms, a dual-entry shower, and a built-in storm shelter discreetly located within the suite. If you've been searching for space, privacy, and a home that truly feels like an escape, this exceptional property in Pilot Point delivers the best of country living with refined style.
