DESCRIPTION

Nestled on nearly two acres just minutes from Joe Pool Lake, this stunning 5 bedroom, 3.5 bath Cedar Hill home offers space, style, and a versatile layout designed for both everyday living and effortless entertaining. The welcoming living room anchors the open floorplan and impresses with a soaring vaulted ceiling, abundant natural light, and a sleek modern fireplace that creates a warm and inviting focal point. The enviable kitchen is designed to gather and entertain, featuring an island with seating, built in appliances, designer lighting, and generous storage and prep space. A spacious bonus game room with a wet bar and direct patio access adds even more room for hosting and relaxing. The serene primary suite provides a peaceful retreat and features a luxurious spa like ensuite bath with dual sinks, a soaking tub, a separate shower with multiple showerheads, and a walk in closet. Spacious secondary bedrooms and well appointed baths provide comfort and flexibility for guests, work, or hobbies. Large windows fill the home with natural light throughout the day, often eliminating the need for lights until sunset. Solar panels help keep electric costs stable and efficient, while smart light switches compatible with Alexa and Google add modern convenience. Enjoy a backyard setting that is hard to beat. The expansive deck and wide open yard offer the perfect backdrop for outdoor entertaining, relaxing evenings, and enjoying the peaceful surroundings. The HOA includes community grounds maintenance along with access to a clubhouse with scenic lake views, adding to the appeal of this exceptional property. Don't miss out on this rare gem! 3D tour available online. Sellers will pay off solar panels at close
