DESCRIPTION

Designed for both everyday comfort and unforgettable gatherings, this beautifully updated residence offers over 5,000 square feet of elegant living and exceptional indoor-outdoor spaces. Rich hardwood floors and natural stone surfaces run throughout the home. The spacious primary suite offers a private retreat with separate vanities, an oversized jetted soaking tub, and an expansive walk-in closet. Each secondary bedroom includes its own en-suite bathroom and walk-in closet, creating comfort and privacy for family or guests. Recent improvements by the current owners include a new roof, new HVAC system with updated thermostats, and the conversion of the third-floor game room into a bedroom with a newly added shower and updated lighting fixtures, providing additional flexibility for guests, a home office, or private retreat. Designed for entertaining, the backyard features a turf backyard, a custom putting green, and an outdoor kitchen with a built-in grill, creating the perfect setting for gatherings or relaxed evenings outdoors. Conveniently located near some of Dallas' most desirable dining, shopping, and entertainment destinations, this home offers a wonderful balance of space, comfort, and lifestyle.
