DESCRIPTION

Rarely does a home offering six bedrooms become available in this North Dallas neighborhood. Set on an expansive .37-acre lot, 4475 Twin Post offers exceptional space both inside and out. A substantial 1,000+ square-foot addition introduced a second story, adding two additional bedrooms, a full bath, and a spacious game room that expands the home's already generous layout. One of the bedrooms is privately positioned off the garage, creating an ideal separate guest or in-law suite. Outdoors, the large backyard and pool provide ample room for entertaining, relaxing, or enjoying the privacy of the oversized lot. With its rare six-bedroom layout, expansive grounds, and versatile living spaces, 4475 Twin Post presents a unique opportunity in a desirable North Dallas location.
