DESCRIPTION

Get ready for the ultimate summer retreat in the highly sought-after Marshall Ridge community. Backing to elevated views that offer incredible privacy with no visible rear neighbors, this backyard oasis features a stunning rock-waterfall swimming pool with a shallow-end lounging area and an expansive 37-foot covered patio perfectly wired for your outdoor TV and evening grilling. Step inside to an architectural dream, where a sweeping curved staircase and a wall of windows draw the eye straight through to the backyard. Beautiful wood flooring and plantation shutters frame the living room, leading into an entertainer's kitchen boasting massive granite prep space, a center island, double ovens, and stainless appliances. This culinary space flows seamlessly into a sun-drenched downstairs living room anchored by a corner fireplace. A dedicated first-floor study with French doors and built-ins provides the perfect home office, while the oversized primary suite serves as a true sanctuary, featuring a versatile sitting area—ideal for a reading nook, home gym, or quiet flex space—and a luxury bath with a separate shower, soaking tub, and huge walk-in closet. Upstairs, the highly desired floor plan truly shines with two distinct, private living areas—including a spacious retreat that overlooks the dramatic front entry—alongside three generous bedrooms and two full baths. Auto enthusiasts and hobbyists will love the split three-car garage, offering a dedicated single bay perfect for a workshop or extra storage. Located within the coveted Keller ISD and just steps from the neighborhood elementary school, residents enjoy exclusive access to the Marshall Ridge clubhouse, pools, and playgrounds, all just moments from premier shopping and major highways. Reach out to your agent to be the first in line for a private tour—this Marshall Ridge masterpiece will not last long.
