DESCRIPTION

Welcome to this exquisite one-story custom home in the heart of Viridian, offering timeless design, rich finishes, and exceptional craftsmanship. The inviting stone-and-brick exterior and lush landscaping create stunning curb appeal, setting the tone for what's inside. Step through the arched entry to discover a beautifully designed interior featuring hardwood floors, elegant crown molding, and graceful arched openings throughout. The open-concept living area is anchored by a cozy fireplace with a wood mantle and surrounded by large picture windows that fill the space with natural light. The chef's kitchen is a true showpiece with an oversized granite island, pendant lighting, custom cabinetry with glass fronts, and stainless steel appliances including a gas cooktop and double ovens. A butler's pantry with display cabinets and wine storage connects the kitchen to the formal dining room—perfect for entertaining. The spacious primary suite offers a peaceful retreat with hardwood flooring, tray ceiling detail, and a luxurious ensuite bath featuring dual vanities, granite counters, a soaking tub, and a frameless glass shower. A “snore room” off the bathroom provides a secluded living area when you need a quiet space to unwind—and includes direct access to the driveway. Additional bedrooms offer comfort and flexibility for family or guests. The study, with French doors and a shelved closet, can serve as a guest bedroom or nursery. A second office space off the kitchen includes built-in cabinets and extended granite counters that function as a desk—perfect for families needing two work-from-home spaces or a dedicated homework area. This home offers the versatility to fit your needs, whether for family, work, or leisure. Outdoors, enjoy a private backyard oasis with a covered patio, wood-burning fireplace, and extended stone patio surrounded by mature landscaping—ideal for relaxing or hosting gatherings.
