DESCRIPTION

Experience refined living in this exceptional Highland Homes residence, thoughtfully designed with impressive scale, architectural detail, and elevated finishes throughout. Situated on a beautifully landscaped corner homesite, the striking curb appeal sets the tone for what awaits inside. The welcoming entry opens to soaring ceilings and elegant design elements, including coffered ceilings and detailed wood-paneled accent walls. The private study offers a quiet workspace, while the formal dining room with a built-in bar hutch provides an ideal setting for gatherings. The impressive living room features a stately fireplace and sliding glass doors that lead to the oversized covered patio, complete with a fireplace and a roll-down sun screen—creating a seamless indoor-outdoor living experience. At the heart of the home, the expansive kitchen is designed to impress with an oversized island, quartzite countertops and backsplash, abundant cabinetry, and a generous breakfast area. The open-concept layout enhances functionality and flow throughout the main living spaces. The first level also includes a media room and a versatile multigenerational suite, offering flexibility and added privacy. The primary bedroom provides a spacious retreat, complemented by an enhanced closet and a luxurious bath featuring separate vanities, a large soaking tub, and a separate shower. Upstairs, a generously sized game room with a wet bar provides additional space for recreation and relaxation. Additional highlights include a walk-in pantry, designer lighting throughout, extensive upgraded interior selections, and a four-car garage. With five bedrooms, five full baths, and two half baths, this remarkable two-story home offers a well-designed layout suited for a variety of living needs. 3D tour available online!
