DESCRIPTION

Welcome to Santorini—where refined luxury meets peaceful acreage living in the heart of Brock ISD. Set on 2 private acres within this exclusive gated community, this custom-built estate offers a lifestyle defined by elegance, comfort, and intentional design. From the moment you step through the custom iron doors, you're greeted by warm hand-scraped white oak hardwoods, natural textures, and elevated finishes that create a timeless yet modern aesthetic. The heart of the home is a chef-inspired kitchen, beautifully appointed with premium SKS built-in appliances, custom white oak cabinetry, and a striking blend of quartz and soapstone—crafted for both everyday living and unforgettable entertaining. The main-level primary suite is a true sanctuary, featuring a spa-like bath with an expansive walk-in shower, dual vanities, and a boutique-style closet complete with built-ins and a center dresser. Tucked within is a discreet hidden security closet, offering both convenience and peace of mind. Thoughtfully designed for both relaxation and gathering, the home features three fireplaces—creating inviting spaces throughout. Enjoy quiet evenings by the fire in the private study, gather in the warm and welcoming living room, or unwind outdoors on the back patio beside the fireplace under the Texas sky. Upstairs, a spacious game room and well-appointed secondary bedrooms provide the perfect retreat for family and guests. Every detail has been carefully considered, from the porcelain and natural stone finishes in wet areas to the durability and efficiency of fiberglass windows. The 4-car garage with epoxy flooring offers ample space for vehicles and storage, while the private water well and aerobic septic system enhance self-sufficiency. This is more than a home—it's a statement of lifestyle, where luxury, privacy, and thoughtful design come together in one of Brock ISD's most desirable communities.
