DESCRIPTION

Entering this home, you are met with a secluded study room that you can turn into a guest suite with an attached bathroom and walk-in closet. Next you are greeted by the integrated kitchen and breakfast area that opens up to the formal dining and large family room. Your kitchen features many attractive elements like granite countertops, a kitchen island, and a spacious pantry. Adjacent to your beautiful sweeping staircase is your convenient downstairs powder bathroom, as well as your walk-in utility room and access to your two-car garage. Retreat to your master suite that gives you the option of including a bay window allowing for abundant natural light to seep through. The master en-suite bathroom features double walk-in closets, dual vanities, and a large soaker tub with a separate shower. Wander to the second story where you will discover a gameroom, a secondary bathroom, and a cozy media room. You will also find the third bedroom and the fourth bedroom with an attached full bathroom and each containing walk-in closets!
