DESCRIPTION

Oversized premium lots of this caliber are rarely available. A rare combination of space, privacy, and neighborhood convenience, this property is situated on over half an acre of fenced, lushly landscaped grounds offering a private retreat for grilling beneath the covered patio or relaxing under the stars. Ideally located just five safe sidewalk blocks from the elementary and middle schools, community pool, parks, and fishing ponds, with nearby sunset dining, boating, historic downtown, and golf. Inside, an elegant spiral staircase and striking chandeliers introduce an open floor plan with 24-foot custom-designed ceilings, plantation shutters, hand-scraped hardwood flooring, and plush new carpet. Curved game-room balconies overlook the living area and flow into a media room designed for movies and sports. A private office features picture windows and privacy doors. The chef's kitchen includes a custom pantry, oversized island with deep drawers, abundant storage, slide-out shelving, and double ovens. The primary suite offers a sunken tub, dual-head retreat-style shower with pebble flooring, and expansive walk-in closet. Upstairs includes an oversized game room, 260-square-foot flex room, hidden bonus room, three spacious bedrooms, a Jack-and-Jill bath, and a private full bath. Additional highlights include a painted three-car garage with epoxy flooring, three large floored attic storage areas, utility room with sunken sink, downstairs half bath, new roof with 20-year transferable warranty and Level 4 shingles, plus two new water heaters. Mortgage savings may be available for buyers of this listing.
