Welcome to refined living in the stunning Grand Homes featuring a modern, functional, flexible floor plan is designed to cater to today's changing lifestyle. Located in the heart of Corinth, step through the contemporary front door with satin glass, and you are greeted by an abundance of natural light in this open-concept layout. The seamless flow between the living, dining, kitchen, and family room creates an inviting space. The Chef's kitchen overlooks the family room centered around a beautiful black tile surrounding fireplace. The kitchen is thoughtfully designed with an abundance of counter space and storage for both style & convenience in mind. The stone granite countertops and herringbone subway style backsplash are anchored by beautiful white shaker style cabinets adorned with black hardware. A Whirlpool Appliance SS package including a 36" gas cooktop, built-in oven and microwave, dishwasher, and an oversized island complete the space. The transitional prep pantry that connects the kitchen and dining room can serve as a beverage bar or coffee station. The backyard features a covered patio. The 1st floor primary suite offers a private retreat with an engineered hardwood floor. The neutral tone and designer accented black wall inspires a spa like retreat which transitions into the spa-inspired ensuite bath. The primary bath features an oversized luxurious freestanding garden tub, separate shower with L-shaped bench, dual vanities, and spacious walk-in closet. A 2nd bedroom with full-sized bathroom finishes the first floor and allows for flexibility for an office, guest space or multigenerational living.
