DESCRIPTION

Located on a quiet interior street with no HOA, this fully remodeled home offers high ceilings and a seamless, modern feel throughout. All flooring has been replaced, creating a continuous flow from room to room with no carpet. The kitchen has been completely updated with new cabinetry, recent stainless steel appliances, and a cooktop that has been upgraded and plumbed for gas — a valuable enhancement for everyday cooking. Two spacious living areas are anchored by a striking wraparound fireplace, creating a warm and connected gathering space. The second living area features a large wet bar and overlooks the backyard, making it ideal for entertaining. The primary suite is a true retreat, featuring a custom closet system, a second additional closet in the primary bath, and a spa-like shower with multiple showerheads, body jets, and a skylight above that fills the space with natural light. All bathrooms have been thoughtfully remodeled with clean, contemporary finishes. LED color-changing recessed lighting enhances the home's versatility and ambiance. Just minutes from walking trails and a playground, this home combines a peaceful setting with everyday convenience.
