DESCRIPTION

Welcome to 6621 Overlook Court. This 5 bedroom, 4.5 bath home sits on a cul-de-sac and offers a 3-car garage, a thoughtful layout, and a backyard you'll never want to leave. Located in Shoal Creek, one of the area's most sought-after neighborhoods, complete with multiple ponds and walking trails. Step inside to a grand entryway with tall ceilings and floor-to-ceiling windows, which flood the space with natural light and frame a beautiful view of the backyard. Hand-scraped hardwood floors flow throughout the main level, connecting two generously sized living areas downstairs, both equipped with gas fireplaces, along with two dining areas. Plenty of space for everyday living and entertaining alike. The gourmet kitchen is open to the family room and features brand new stainless steel appliances, a double oven, an extra large island with seating, and a dry bar, all overlooking the lush backyard. Oversized sliding glass doors open onto the covered patio, creating a seamless indoor-outdoor flow. The spacious, private backyard has a pool and spa, built-in grill, multiple seating areas, a built-in mosquito control system, and plenty of grassy areas. The primary suite on the main level features a fireplace and spa bathtub with windows overlooking the beautiful backyard landscaping. A second downstairs bedroom is ideal for guests or multigenerational living. A modern study with French doors opens onto its own sitting area on the front porch, perfect for working from home. Head upstairs via a gorgeous curved staircase to three more bedrooms, and keep an eye out for the secret playroom hidden behind a picture frame in one of them. Recently upgraded from top to bottom, with fresh paint throughout, new hardwood floors extending through the kitchen and family room, brand new carpet upstairs, and a refreshed kitchen complete with new appliances and backsplash.
