DESCRIPTION

Elegant home on a beautiful corner lot. The circle driveway and porte-cochere strike a handsome note! The popular Chicago brick facade and the double doors set the tone for this custom home. The home offers so many features that buyers are looking for. Formals featuring 2 story ceilings and abundant crown moldings. A floating staircase sets the mood of the home. For less formal occasions, the sunroom is the perfect place to gather. The eat-in kitchen has been updated and is a delightful space. The primary suite is generously sized and features an elegant primary bath with his and her vanities and a large walk-in closet. An additional bedroom downstairs is perfect as a guest suite with an en-suite bath. This room also would be great as a study or home office. Upstairs there are two generously sized bedrooms, one with a private bath and one with a Jack and Jill bath shared with the gameroom.. The gameroom works perfectly as a gameroom, workout room or media room. The private backyard features a covered patio and a diving pool with a large rock waterfall. Whiffletree is a wonderful neighborhood featuring an award winning elementary school, 3 playgrounds, a park, lake and public library and police substation. The homeowner's association is voluntary and highlights numerous ways to interact with your neighbors. A beautiful place to call home!
