DESCRIPTION

An extraordinary sanctuary in the heart of Dallas, this creekside estate in the gated enclave of Kessler Reserve is a rare blend of modern architecture, natural beauty, and effortless luxury. Situated on the largest lot in the community, this stunning modern transitional home lives like a sophisticated treehouse, with panoramic walls of glass that invite the surrounding landscape beautifully indoors. A breathtaking approach sets the tone, with a delightfully landscaped drive, elegant paver motor court centered around a majestic Elm, sleek glass garage door, & dramatic landscape lighting. Inside, the light-filled open-concept design made for both elevated entertaining and everyday ease. The eat-in chef's kitchen is a true showpiece, anchored by an oversized earthen-stone island, Viking appliances, and custom rift-cut white oak cabinetry. The adjacent dining & living spaces unfold seamlessly, all oriented toward sweeping views of the private backyard retreat and wooded creek beyond. With soaring 11-foot ceilings, a striking stone-surround gas fireplace, and a modern take on the Sputnik chandelier, the living room is warm, refined, and unforgettable. A wraparound deck extends the living experience outdoors, perfect for sunset cocktails, candlelit dinners, and evenings under the stars. A gracious first-floor guest suite completes the main level. Upstairs, the primary suite is a true sanctuary, offering a spa-inspired bath with dual vanities, Ann Sacks limestone, a 6' aerated soaking tub, and a walk-through shower. A custom closet and dual water closets complete the suite. Two additional ensuite guest rooms and a versatile flex space for living or office round out the upper level. Beyond, the grounds are nothing short of magical—beautifully designed to evoke peace, privacy, and tranquility, with birdsong, a bubbling fountain, illuminated pathways, layered hardscapes, and lush, artful plantings. A true retreat. A true experience. A home that lingers long after you leave.
