DESCRIPTION

Stunning single-story, north-facing home in the highly sought-after Star Trail neighborhood. Thoughtfully designed from a model plan and extensively customized with over \$170,000 in upgrades. This exceptional property offers a rare 4-car garage and sits on an oversized lot with beautiful, professionally designed landscaping that provides incredible privacy—especially when the surrounding trees are in full bloom, as all neighboring homes are single story. Inside, you'll find a highly functional and versatile layout where every bedroom features its own ensuite bathroom, offering comfort and privacy for family and guests alike. A custom hearth room just off the dining area creates a warm and inviting space perfect for gathering and entertaining. The home is ideal for multi-generational living or growing families, with custom lofts in two bedrooms adding both charm and functionality. The gourmet kitchen features a custom oversized Taj Mahal Quartzite island and is equipped with double ovens, double dishwashers, a walk-in pantry, and ample space for everyday living and hosting. Additional upgrades include a whole-home water filtration system for enhanced comfort and convenience. This one-of-a-kind home blends luxury, practicality, and thoughtful design in one of Prosper's premier communities. New roof with Vista AR Class 4 Impact Resistant Architectural Shingles to be installed in May.
