DESCRIPTION

Located on a full acre in one of Lucas' most sought-after communities. This is a rare opportunity within highly acclaimed Lovejoy ISD. Combining privacy, space, and proximity to key North Texas destinations, this property delivers a more intentional alternative to traditional suburban living. Inside it immediately feels different. Soaring vaulted ceilings with hand-hewn wood beams, a floor-to-ceiling stone fireplace, and an open-concept great room create a space that lives as beautifully as it entertains. The chef's kitchen is designed to impress with double granite islands, custom knotty alder cabinetry, gas cooktop, double ovens, and a stone backsplash, complemented by thoughtful details like a pull-out spice rack, concealed mixer station, and a high-tech sink. The formal dining room, set beneath an elegant rotunda ceiling, comfortably hosts 12 or more. The home is built for today's lifestyle. A private office plus a hidden workspace offers flexibility for hybrid work, while the first-floor media room allows for seamless entertaining without disrupting the flow of the home. The primary suite provides a true retreat with a spa-inspired ensuite featuring dual shower heads, while the upstairs guest suite with a private bath is ideal for extended stays, in-laws, or teens seeking their own space. Outside is where this home separates itself. Set on a full acre, the backyard is designed for both everyday living and elevated entertaining, featuring a pool, spa, outdoor kitchen, covered living area, and a motorized drop-down TV that transforms the space into a true resort-style experience. Comparable homes of this scale and quality in nearby markets like Frisco and Plano often command significantly higher prices, making 406 Spurgin Rd not just a home, but a strategic lifestyle investment in one of North Texas' most desirable areas.
